

**REMARKS**

In the Office Action of November 11, 2009, the Examiner stated that the Board of Patent Appeals and Interferences affirmed the rejections against Applicants' independent Claims 1, 10 and 19 but reversed all rejections against Claims 4, 9, 13, 18 and 22, which were dependent thereon. The Examiner further stated that there were no allowed claims in the application and the independent claims were canceled in accordance with MPEP §1214.06. Applicants were given a one-month time period to present the dependent claims in independent form.

Applicants have amended Claims 4, 13 and 22 to present the claims in independent form per the Examiner's instructions. Applicants believe the claims, as amended, are in condition for allowance and respectfully request reconsideration, allowance and passage to issue of the claims in the application.

Respectfully submitted,

/David A. Mims, Jr./
